7. History is His-story because Jesus is weaved throughout the annals of time. He was there in creation, He was there in redemption of the world and He was there in the salvation of humanity. Though many have tried to wipe Jesus out from history, He cannot be destroyed or removed from the work He has done. A main reason is that He has engrafted Himself on our hearts when we believe in Him. What does this knowledge do for you as you think about your current life?
